

Ain't Nobody But Me

Supertramp

Tell you a story that'll make a change
Let me tell you when I'm way out of range.
It's about a man who's cruel and mean,
So promise not to cause a scene.
Then heaven help the ones you love;
There's nowhere 'neath the stars above.
Where you can run you know he'll find you;
It don't matter now, just look behind you.
You had your warning, you knew the score;
You got it wrong, and that means war,
So why'd you have to treat me rough,
Your explanation's not enough.

Ain't nobody but me gonna lie for you,
Gonna die for you.
Ain't no fish in the sea gonna sigh for you,
Gonna try for you,
Gonna lie for you,
Gonna die for you.

You see, I got a double disposition;
Sometimes I'm mean, sometimes I'm vicious.
I'm Doctor Jekyll, and Mister Hyde;
So if you want to stay alive,
Just give me all you've got to give.
And then perhaps I'll let you live.

Ain't nobody but me gonna lie for you,
Gonna die for you.
Ain't no fish in the sea gonna sigh for you,
Gonna try for you,
Gonna lie for you,
Gonna die for you,
Gonna sigh for you,
Gonna try for you,
Gonna lie for you,
Gonna die for you.

Hush: Now baby stop your cryin'
Oh yes: I know that I've been lyin'.
Hush: Now baby stop your cryin'
Oh yes: I know that I've been lyin'.
Hush: Now baby stop your cryin'
Oh yes: I know that I've been lyin'.
Hush: Now baby stop your cryin'
Oh yes: I know that I've been lyin'.
Hush: Now baby stop your cryin' now.
