

Easy Does It

Supertramp

And if my thoughts had wings
I'd be the bird that sings;
I'd fly where love isn't shy,
And ev'ryone is willing to try.
And if we had the time,
That time's so hard to find,
I could believe what you say,
Start sending those shadows away.

And if you know who you are,
You are your own superstar,
And only you can shape the movie that you make.
So when the lights disappear,
And only the silence is here,
Watch yourself, easy does it, easy does it, easy while you wake
.

And if you know who you are,
You are your own superstar,
And only you can shape the music that you make.
So when the crowd disappears
And only the silence is near,
Watch yourself, easy does it, easy does it, easy while you wake
.
