Gone Hollywood

Supertramp

It's just a heartbreaking
I should have known that it would let me down
It's just a mind aching
I used to dream about this town

It was a sight to see The place to be Where the living is easy And the kicks can always be found

It's such a shame about it I used to think that it would feel so good But who's to blame about it? So many creeps in Hollywood

I'm in this dumb motel Near the Taco Bell Without a hope in hell I can't believe that I'm still around

Ain't nothing new, in my life today Ain't nothing true, it's all gone away

I've had too much cryin', seen too much grief
I'm sick of tryin', it's beyond belief
I'm tired of talking on the telephone
They're trying to tell me that they're not at home

Ain't nothing new, in my life today

I'm tired of walking from place to place I've yet to come across a friendly face And now the words sound familiar, As they slam the door: "You're not what we're looking for"

Ain't nothing new, in my life today Ain't nothing true, it's all gone away

If we only had time, only had time for you If we only had time, only had time for you If we only had time, only had time for you

It was a heartbreaking Now I ride in a big fine car It was a mind aching Yeah, I'm the talk of the boulevard

So keep your chin up boy Forget the pain I know you'll make it If you try again There's no use in quitting When the world is waiting for you
