

# Maybe I'm a Beggar

Supertramp

I ain't got too much money, I ain't got too much sins  
Long ago I had a dream but that's no recompense  
My father was a blind man, my brother was a fool  
My mother told me "God is love"  
But hatred makes the rules

Teach me to fly  
So I shan't drag my feet in the sand  
Give me the sky  
I would take the whole world in my hand

World, don't you tell me  
I cannot last forever  
Before you know I'll come and go  
And make you if I can

Maybe I'm a beggar, just check your sympathy  
They throw away their gentle love  
And keep their pain for me

Can we be free, in a world where to love is to own?  
Well when will we see, that a man must face life all alone?

Maybe I'm a beggar, just check your sympathy  
They throw away their gentle love  
and keep their pain for me

Teach me to fly  
So I shan't drag my feet in the sand  
Give me the sky  
I would take the whole world in my hand

Can we be free, in a world where to love is to own?  
Well when will we see, that a man must face life all alone?
