

The name is Potter, hi there
I'm sure getting hotter, mind there
I told her quick she could see my pricked cactus
Back in the confines of my home
She didn't say yes, but she didn't say no
So we're just gonna go get a cactus supper at home

Nigger in the woodpile, mind out
Trigger as a docile, find out

Roll up, roll up, come and see me, tickle me
Sing me songs like you've never seen before
Roll out, old town, to my place in town
It's a case of a pound and a race to the bedroom door

Roll up, roll up, come and see me, tickle me
Sing me songs like you've never seen before
Hold on, hold on, till my place in town
In the case of a pound and the race till the bedroom door
