

Sooner or Later

Supertramp

Sooner or later it's gonna get better
Sooner or later I'm gonna get over her

You know I can't go on like this
It's just a matter time
There'll come a day when I will wake up
Without her on my mind

Sooner or later it's gonna get better
Sooner or later I'm gonna get over her

They say that time will heal everything
So I'm winding the clock
And waiting for that glorious moment
When my heartache will stop

She let me go
It took me by surprise
I feel out of place
Without her by my side

Sooner or later it's gonna get better
Sooner or later I'm gonna get over her
Sooner or later ... Sooner or later
Sooner or later ...
