About The Joy

Support Lesbiens

I can't ait until our lives are synchronized Feel it, need it, heal it, I'll make you mine I can't wait till sex is more than improvized Feel it, need it, heal it, I'll make you mine I don't need too much for life to simplify Feel it, need it, heal it, I'll make you mine All I need is you my love I'm stupefied Feel it, need it, heal it, I'll make you mine

I'm singing about the joy
I'm singing about this feeling
I'm singing about it all the time you look sole

I can't wait the relation get's formalized Feel it, need it, heal it, I'll make you mine 'Cause every wish you make my love I'll victimize Feel it, need it, heal it, I'll make you mine

I'm singing about the joy
I'm singing about this feeling
I'm singing about it all the time you look sole
