

## Looking for myself

### Support Lesbiens

1. I'm looking for the man, who's living in my bed,  
I'm looking for the savour, try to feel it but I can't.  
Just you better go, cause there's nothing on your own,  
not to be in cradle, cause now all I want to grow.
2. I'm looking for this feeling, I'm looking for the savour,  
right in a bed without the behavior.  
I'm looking for the motion, I'm looking for my salience.  
Breaking away so then I can be.

R: Healed cause all I wanna feel  
everybody's well connected people.  
Why are you looking at me, cause all i wanna see  
no one has the right to judge the people for the difference

3. Now I'm living in the hole and so me better go,  
not to be in cradle, cause now all I want to grow.  
Cause I never got a grip and you never kissed my lip  
nothing in the way for me to break it, not to fear.
4. I'm looking for the savour, I'm looking for this feeling,  
right in a bed on my own I'm heeling.  
I'm looking for the motion, I'm looking for my salience.  
Breaking away so then I can be.

R: Healed cause...
