

# Meditating

## Support Lesbiens

part of brain quiz who are we, human race as i can see  
oh well i hardly catch my self in deep and serious thinking  
just like my college roam, now back home  
living life causes shrink my soul  
living like doll, live with no friends  
living like drunk and forsaken man

cry, i`m cry, i`m cry, i`m meditating love my soul and  
fly, i`m fly, i`m fly, i`m meditating love my soul and  
looking for a ghost, that lives in my mind  
it`s all about the soil that is living in my skull i said  
cry, i`m cry, i`m cry, i`m meditating love my soul and

no plans and living with ghost goes on  
am i man, or even the last piece is gone  
good boy was living inside my jeans  
good soil established between my ears  
gotta wake up cause i`m treating myself low  
i`ve taken warnings, still i`m living without law  
with no filling as well as no willing  
i`m the kind of being `cause i`m living on my own  
i said

cry, i`m cry, i`m cry, i`m meditating love my soul and  
fly, i`m fly, i`m fly, i`m meditating love my soul and  
looking for a ghost, that lives in my mind  
it`s all about the soil that is living in my skull i said  
cry, i`m cry, i`m cry, i`m meditating love my soul and

based on maybes and crushed up feelings  
caught in a ribbon i got from parents  
end the mess and cover the big grey hole in  
the road i`m going and the tarmac is boiling  
all that happens cause i`m holding the door  
but the door i`m holding leads into the war  
all that happens cause i`m holding the door  
but the door i`m holding leads into the war

cry, i`m  
cry, i`m  
cry, i`m cry, i`m  
cry, i`m

based on maybes and crushed up fellings  
caught in a ribbon i got from parents  
all that happens cause i`m holding my door  
and the door i`m holding opens into the war

cry, i`m cry, i`m cry, i`m meditating love my soul and  
fly, i`m fly, i`m fly, i`m meditating love my soul and  
looking for a ghost, that lives in my mind  
it`s all about the soil that is living in my skull i said  
cry, i`m cry, i`m cry, i`m meditating love my soul and

no plans and living with ghost goes on  
am i man, or even the last piece is gone  
no plans and living with ghost goes on

am i man, or even the last piece is gone
