1. I get a little tequila, it is the time to get on the riot  
I think I float a bit deeper, it is the time, anyway, I buy  
it  
I do believe, when ya legalize, I'll no more mind it  
But there is always a try so I can't say yes, because I tried it

2. I get a bit understanding, I see my soul's gonna light my fire  
Will anybody believe, seeing sunshining takes me higher  
I do believe, when ya legalize, I'll no more mind it  
So would ya make up your mind even though I can't tell it is  
worth trying

R: Sweet little something in my mouth rolling, it's easy  
Sweet little something me swallowing, it's easy

3. I took a little of these and a bit of those and now I'm flying  
I'm getting in better mood I call it "alcoholizing"  
I do believe in a compromise, in a bit of crying  
So and as you can see, my opinion, the truth is terrifying

R: Sweet little something...
