

Tear But Not Be Torn

Support Lesbiens

Tear but not be torn me gotta,
hold but not be held onto,
form but not be formal, but I'm,
loosing my voice indeed.

Burn but not be burned me gotta,
know but not be known to much,
steal but not be stolen but I'm,
loosening my voice indeed.

Endlessness I feel me gotta,
endlessness I feel your growth
tald you truth I feel me gotta
hold what I was told you gotta
give your voice not because you gotta
but 'cause of no surrender make your choice
not because you gotta but `cause of one forever.

Tear but not be torn me gotta,
hold but not be held onto,
form but not be formal, but I'm,
loosening my voice indeed.

Endlessness I feel me gotta
endlessness I feel your growth
told you truth I feel me gotta
hold what I was told you gotta
give your voice not because you gotta
but `cause of no surrender make your choice
not because you gotta but 'cause of one forever.
