

Voyager Reprise

Surfer Blood

I can't go out 'cause I'm sick with myself
Leave it to me, up to me to feel sorry
I can't wrap my head around you
Somewhere out there four walls surround you
I can't go now 'cause I don't know how
Oh, oh oh

Oh Carl and Ann had a love affair
Making a soundtrack for another planet to hear
Oh a gold disk moves like a meteor shower
Thirty-five thousand miles an hour
Heaven is a strange place like outer space

You've got nothing, got nothing to hide
I've got a lot of things that I keep down inside
Oh but looking with you at the constellations
Even with my coating of insulation
I can't wait now, I don't even wanna know how

No, I can't say no
I won't say no
I can't say no
I can't let go
Oh no
Oh, oh oh
