Survivor

Two worlds collide  
Rival nations  
It's a primitive clash  
Venting years of frustrations  
Bravely we hope  
Against all hope  
There is so much at stake  
Seems our freedom's up  
Against the ropes  
Does the crowd understand?  
Is it East versus West  
Or man against man  
Can any nation stand alone

In the burning Heart  
Just about to burst  
There's a quest for answers  
An unquenchable thirst  
In the darkest night  
Rising like a spire  
In the burning heart  
The unmistakable fire

In the burning heart

In the warrious code  
There's no surrender  
Though his body says stop  
His spirit cries - never!  
Deep in our soul  
A quiet ember  
Know it's you against you  
It's the paradox  
That drives us on  
It's a battle of wills  
In the heat of attack  
It's the passion that kills  
The victory is yours alone

In the burning Heart  
Just about to burst  
There's a quest for answers  
An unquenchable thirst  
In the darkest night  
Rising like a spire  
In the burning heart  
The unmistakable fire

In the burning Heart  
Just about to burst  
There's a quest for answers  
An unquenchable thirst  
In the darkest night  
Rising like a spire  
In the burning heart  
The unmistakable fire
