

# The Moment of Truth

Survivor

When you're alone you ask yourself  
What are you searching for?  
Deep in the night a dream is born  
One that you can't ignore

If you think you can find the passion  
And you're ready to take a chance  
If you really believe you can make it  
Then the power is in your own hands

It's the moment of truth you're giving it all  
Standing alone, willing to fall  
If you can do it get up and prove it  
Get up and show them who you are

It's the moment of truth it's all on the line  
This is the place this is the time  
Waited forever, it's now or it's never  
Nothing can stop you now, oh

Once in your life you make a choice  
Ready to risk it all  
Deep in your soul you hear a voice  
Answering to the call

Though you know that it won't be easy  
It's a promise you make for love  
For the people that keep believing  
And the one that you're thinking of

It's the moment of truth you're giving it all  
Standing alone, willing to fall  
If you can do it get up and prove it  
Get up and show them who you are

It's the moment of truth it's all on the line  
This is the place this is the time  
Waited forever, it's now or it's never  
Nothing can stop you now

It's the moment of truth you're giving it all  
Standing alone, willing to fall  
If you can do it get up and prove it  
Nothing can stop you now

It's the moment of truth you're giving it all  
Standing alone, willing to fall  
If you can do it get up and prove it  
Get up and show them who you are

It's the moment of truth it's all on the line  
This is the place this is the time  
Waited forever, it's now or it's never  
Nothing can stop you now

It's the moment of truth
