The Search Is Over

Survivor

How can I convince you What you see is real Who am I to blame you For doubting what you feel

I was always reachin'
You were just a girl I knew
I took for granted
The friend I had in you

I was living for a dream
Loving for a moment
Taking on the world
That was just my style
Now I look into your eyes
I can see forever
The search is over
You were with me all the while

Can we last forever Will we fall apart At times it's so confusing The questions of the heart

You followed me through changes
And patiently you'd wait
'Till I came to my senses through
Some miracle of fate

I was living for a dream
Loving for a moment
Taking on the world
That was just my style
Now I look into your eyes
I can see forever
The search is over
You were with me all the while

Now the miles stretch out behind me Loves that I have lost Broken hearts lie, victims of the game Then good luck, it finally struck Like lighting from the blue Every highway's leading me back to you

Now at last I hold you Now all is said and done The search has come full circle Our destinies are one

So if you ever loved me Show me that you give a damn You'll know for certain The man I really am

I was living for a dream Loving for a moment

Taking on the world
That was just my style
Then I touched your hand
I could hear you whisper
The search is over
Love was right before my eyes
