

# When Seconds Count

Survivor

Can't remember just how it ended  
I'm hazy as to how it began  
Crazy how our lives got so tangled  
Now we're simply silent partners again  
Secretly walking a tightrope  
Come fall into the arms of the past-

Cause it's still the same me  
Still the same you  
Who swore those promises would still ring true..

So when your heart cries out  
In the middle of a sleepless night  
And your suddenly so lonely  
When seconds count  
Count on me, count on me

Special moments taken for granted  
Tenderness that found no reward  
Funny how you'd speak of forever  
Only to wind up restless and bored  
Can sweethearts so suddenly strangers  
Recapture in a moment of fire-

Well it's the same me  
Still the same you  
The same two children deep down it's true

So when your heart cries out  
In the middle of a sleepless night  
And you're lost and feeling lonely  
When seconds count  
Count on me, count on me  
When your dreams die hard  
And you're stranded out on the boulevard  
I'll be there in a heartbeat  
When seconds count  
Count on me, count on me

I'm going back in time to how it used to be

Now it's a race with time  
Until I change your mind

So when your heart cries out  
In the middle of a sleepless night  
And you're lost and feeling lonely  
When seconds count  
Count on me, count on me  
When your dreams die hard  
And you're stranded out on the boulevard  
I'll be there in a heartbeat  
When seconds count  
Count on me, you can always count on me
