

# Perfect Day

Susan Boyle

Just a perfect day  
Drink sangria in the park  
And then later, when it gets dark,  
We'll go home

Just a perfect day  
Feed animals in the zoo  
Then later a movie too,  
And then home

Oh it's such a perfect day  
I'm glad I spent it with you  
Oh such a perfect day  
You just keep me hanging on (3x)

Just a perfect day  
Problems all left alone  
Weekenders on our own  
It's such fun

Just a perfect day  
You make me forget myself  
I thought I was someone else  
Someone good

You're going to reap just what you sow  
You're going to reap just what you sow  
You're going to reap just what you sow  
You're going to reap just what you sow
