Tired Of My Tears

Susan Tedeschi

Boy, you better go back in your mind Try to find yourself a brand new line I'll love you but you're toying with me So if you can't change, go on let me be

Well I'm sick of your lies Tired of my tears Boy if you want me, you better tell it like it is

Oh when a girl meets a boy she likes She starts to dream, before she knows it, she's caught right in his scheme But I used to believe every word you say Realize now that was yesterday

When I'm with you I lose control That's why I'm offering you my heart and soul You better take it now, because when it's gone I won't even answer my telephone
