

# Darling One

Susanna Hoffs

I hear a voice that fights the wind  
The rain that keeps fallin'  
And I feel a river rushin' in  
Between you and me

You keep lookin'  
For somethin' that's not lost  
I wish that somehow  
I could get you across

[Chorus]  
Oh, won't you rest your worries  
Darling one  
Sweetheart  
Oh, won't you rest your worries  
Darling one  
Sweetheart  
Sweetheart

When they told you the big parade  
Had long since passed  
I saw you waiting there  
For the music to come back.

Feelin' blue  
'Cause there's so much to live up to  
I wish that somehow  
I could give it to you

[Chorus]  
Oh-oh, woe  
Won't you rest your worries  
Darlin' one  
Sweetheart  
Oh, won't you rest your worries  
Darling one  
Sweetheart  
Sweetheart
