

Harmony

Susie Suh

I don't know your name
But it seems that we're all the same
Cause when I sing to you
You are singing back to me
And we sing in harmony
Harmony, we sing in melody
Harmony, harmony
You and I we sing in rhapsody

In this moment
I feel so much lighter
In this moment
I can breathe
Cause what I give to you
Comes right back to me
And we sing in harmony
Harmony, we sing in melody
Harmony, harmony
You and I we sing in rhapsody

I will tell you all of my secrets
I will tell you all of my chores
All my answers, all my answers
Lie in this song that I sing to you
And we sing in harmony
Harmony, we sing in melody
Harmony, harmony
You and I we sing in rhapsody

All the night, all the night
We sing in rhapsody
