

Light On My Shoulder

Susie Suh

It's easier to fall and harder to stand
It's easier to cry and harder to laugh
And I don't know how, I don't know why
But you're the light on my shoulder when I'm tired

It's easier to run and harder to be still
It's easier to think and harder to feel
And I don't know how, I don't know why
But you're the light on my shoulder when I'm tired

It's easier to hide and harder to trust
It's easier to hate and harder to love
And I don't know how, I don't know anything
But you're the temper in my voice when I sing
