

## Recognition

Susie Suh

We are just shadows  
Crawling through this micro alley  
But I am hungry for your love  
And I am starving for a better time  
But that's all we got here  
That's all we know  
That's all we've become  
Our recognition  
Yeah well we be walking in  
Some kind of direction  
In a line with our right foot first  
Yes we're waiting for some material heaven  
That will, that will quench our thirst  
But that's all we got here  
That's all we know  
That's all we've become  
Our recognition

And I don't know what to do  
About holding my head high  
I am struggling to breathe through all these  
In between times  
And I am wondering why  
I am wondering why

And I was born into this place  
That filters who we are  
By what we have done  
Yes I know I am a product of this institution  
That's all I got yeah  
That's all I know  
That's all I've become  
My recognition oh

And I don't know what to do  
About holding my head high  
I am struggling to breathe through all these  
In between times  
And I am wondering why  
I am wondering why
