Objects of Desire

Susperia

An ancient evil centuries old has awakened in the form of the w icked They use their beauty and their insatiable lust as a potent lif eforce They become the objects of insane desire But their kisses yield torture and violence as their suitors di scover Only I am strong enough to end their quest for total domain

And only I am strong enough to test them in a grand test of wil I I was never more dangerous than with the night angels, mistress es of hell
