

I see it now, and there goes them clouds  
Kill whatever is to be!  
Oh, oh sitting in the wild  
You see the sun... the sky  
Let's get on!

Turn your time,  
Remember this doesn't look alright!  
Please remember those words  
...faces and..  
So move away!

Tell ...you're seeing  
You see... what used to be...  
..ever you give for...  
Sound of the sound! (2x)
