

## Those Whole Girls (Run In Grace)

Suzanne Vega

Those whole girls  
Hurl down words  
Run in packs  
With bloom to spare

They know health  
Know it well  
Skim the cream  
And fill the brim

Drip with news  
Spin intact  
Blaze and stun  
And feel no lack

Breathe with ease  
Need no mercy  
Move in light  
Run in grace

Run in grace (3x)
