

# Can The Can

Suzi Quatro

Well you call your mamma tiger  
And we all know you are lying  
And your boyfriend's name is eagle  
And he lives up in the sky (high high)  
Watch out the tiger don't go claw the eagle's eye  
But let the eagle take the tiger by surprise  
Scratch out her eyes

So make a stand for your man, honey  
Try to can the can  
Put your man in the can, honey  
Get him while you can  
Can the can Can the can  
If you can Well can the can

Well your sister's got the feline touch, she touches up your mind  
And your eagle lover likes his little bit of evil loving all the time  
Don't let the cat get into the eagle's nest at night  
Because the eagle could say "yes" without a fight  
Scratch out her eyes

So make a stand for your man, honey  
Try to can the can  
Put your man in the can, honey  
Get him while you can  
Can the can Can the can  
If you can Well can the can

Ooh can the can (Can the can honey)  
Ooh can the can (Can the can honey)  
Uh uh can the can (Can the can honey)  
Ooh can the can (Can the can honey)  
Ooh can the can (Can the can honey)  
Ooh can the can (Can the can honey)  
Honey, honey  
Honey, honey, honey  
Make a stand for your man, honey  
Try to can the can  
Put your man in the can, honey  
Get him while you can  
Can the can Can the can  
If you can  
Make a stand for your man, honey  
Try to can the can  
Put your man in the can, honey  
Get him while you can  
Can the can Can the can  
If you can
