Both of me, reality, tell the truth who do you see  
scratch the surface of my mind and you will find, Duality  
take a trip to destiny, outta control, you're hooked on me  
fate I fearless cruel plays kind, he look behind, Duality

Flash burn touch the sky  
trick turn who am I  
wild child drink me slow  
I'll go to places you can't go  
crash churn trash about
