

## I Bit Off More Than I Could Chew

Suzi Quatro

Turn down the bedroom lights and warm my soul  
Let all your inhibitions go  
We'll reach the kind of heights we've never known  
Laid back and easy  
Take it slow slow slow  
But wait, are your intentions what I think they are  
Unless you've sold it won't you hand me back the keys to my car

Well I guess I never knew  
I bit off more than I could chew  
When you handed me that offer, I shoulda said no to you  
Oh mamma mamma mamma  
Well I guess you always knew  
That I bit off I bit off I bit off I bit off more than I could  
chew

Ooh come closer baby  
Let your soul relax, we're old enough to face the facts  
Get off the rails, and let your train get on my tracks  
But wait a minute, is that the way you always act  
I've met your kind before, I know I know your game  
You didn't even take the time to ask my name

Well I guess I never knew  
I bit off more than I could chew  
When you handed me that offer, I shoulda said no to you  
Oh Oh Oh mamma mamma mamma  
Well I guess I never knew  
That I bit off I bit off I bit off I bit off more than I could  
chew

Well I guess I never knew  
I bit off more than I could chew  
When you handed me that offer, I shoulda said no to you  
Oh mamma mamma mamma  
Well I guess you always knew  
That I bit off I bit off I bit off I bit off more than I could  
chew  
Well I bit off I bit off I bit off I bit off more than I could  
chew (9x)
