

# I Don't Do Gentle

Suzi Quatro

Why am I always sittin' alone on a saturday night?  
why does everybody think I'm always gettin' ready do fight?  
if you wanna get close to me  
you gotta open up your eyes and see  
that I gotta good heart but I'm a little misunderstood  
I don't do gentle,  
But I'm pretty good company

Why am I sittin' here by the phone waiting for you to call?  
well, I'm tellin'ya somethin honey  
kinda funny that you bother at all  
you know I ain't sugar and spice  
but'ya still gotta treat me nice  
if you wanna love me tender  
then you reality gotta treat me right

I don't do gentle, I ain't sentimental  
no I Don't do a gentle, but I'm pretty good company  
that's me

I don't do gentle;  
WELL, I GOTTA GOOD HEART AND I'M PRETTY GOOD COMPANY!
