

## Love Hurts

Suzi Quatro

It's a crying shame  
Love hurts  
Such a funny thing  
That you want me back again  
Well it's too late now  
You're finding out that love hurts  
You pushed me out the door  
Right on outta your life  
You said that you were sure  
I'd never be your wife  
You kicked me in my pride  
But I came through the other side

It's sad to see your smile has gone  
Your heart's the one that's dyin'

Love hurts - whoo - Love hurts - yeah - Love hurts -who  
Love hurts - yeah - Love hurts - whoo - Love hurts - yeah - Lov  
e hurts - whoo  
Well it's sad to see your heart is breakin'  
You're the one that's cryin'
