

# Make Me Smile

Suzi Quatro

Ooh la la ooh la la  
You've done it all  
You've broken every code  
And pulled a rebel to the floor  
You've scored again  
No matter what you say  
Eroded metal - what a bore  
Oh blue eyes blue eyes  
How come you tell so many lies  
Oh oh come up and see me  
Make me smile  
I'll do what you want  
Run on wild  
There's nothing left  
I've gone and run away  
Maybe you'll tarry for a while  
It's just a test  
A game for us to play  
Win or lose it's hard to smile  
Resist resist  
It's from yourself you have to hide  
Oh oh come up and see me  
Make me smile  
I'll do what you want  
Run on wild  
There ain't no more  
You've taken everything  
From my belief in motherhood  
Can you ignore my faith in everything  
'Cos I know what faith is  
And what it's worth  
Oh away away  
And don't say baby you tried  
Come up and see me  
Make me Smile  
Do what you want  
Run on wild  
Oooh ohh la la ooh ooh la la  
Come up and see me  
Make me smile  
I'll do what you want  
Run on wild  
Ooh ooh la la ooh ooh la la ooh
