

Turn Into

Suzi Quatro

I know, what I know, I know
On the car ride down
I hear it in my head real low
Turn into
The only thing I ever--
Turn into
Hope I do
Turn into you

I know, what I know, I know
That girl you found
Keeps that kind of window closed
She'll turn into
The only thing you ever--
turn into
Hope I do
Turn into you

Can't say why I kept this from you
My those quiet eyes become you
Leave it where it can't remind us
Turn this all around behind us
Oh! Well I know!
I'll fall right in to keep you out
I'd like to tell you all about it

I know, what I know, I know
This last time around
I'll hear it in my head real low
Turn into
The only thing you ever know

I know, what I know, I know
Ah yes.
