

Blessing In Disguise

Suzie McNeil

If I hadn't met you I would've never lived to be alone
If I hadn't met you I wouldn't be this strong
If you hadn't left me I don't know how each night I could've gone
If you hadn't left me this wouldn't be a song

I've never been closer to the good I see right in front of me
I've never been closer to finding the truth
Thank you for giving me the gift up in loss and misery
Thank you for giving me the chance to get over you

Just when you're getting down on your luck
Can you change fate? The sour taste of the reminisce will suck until you meet a mermaid

Hey yea y-ea y-ea
I finally realized
Hey yea y-ea y-ea
You're a blessing in disguise
Hey yea y-ea y-ea
Every time you lie
Hey yea y-ea y-ea
You are a blessing in, blessing in disguise

Like it was hot and I'm standing back on my two feet again
Nothing was better than when I finally did
You'll never be the one offers to get out of that freakin' thing
You'll always be the one who turned my life around

Just when you're getting down on your luck
Can you change fate? The sour taste of the reminisce will suck until you meet a mermaid

Hey yea y-ea y-ea
I finally realized
Hey yea y-ea y-ea
You're a blessing in disguise
Hey yea y-ea y-ea
Every time you lie
Hey yea y-ea y-ea
You are a blessing in, blessing in disguise

Found a way from within to begin (a blessing in disguise)
Found a way from within to begin (a blessing in disguise)

Hey yea y-ea y-ea
I finally realized
Hey yea y-ea y-ea
You're a blessing in disguise
Hey yea y-ea y-ea
Every time you lie
Hey yea y-ea y-ea
You are a blessing in, blessing in disguise

Found a way from within to begin (a blessing in disguise)
