

# Drama Queen

Suzie McNeil

I'm scared  
I don't know why  
I make it so hard  
It's the rush of it all  
And I need it  
I should warn you to be on your guard

Oh, Oh, Ooh

Cause every-time you call  
I'll ask you where you've been  
And any word you say  
I can always spin  
And you can count on me  
To turn this whole thing upside down

That's why  
I can wear this crown

So you wanna, you wanna  
Go though some real drama  
You'd better, You'd better  
Watch what you wish for  
Cause I'm gonna, I'm gonna  
I'll show you just what I mean  
(I'll show you just what I mean)  
I'm a drama queen

You think  
You'll be able to rise from the brink  
Well, avoiding the chaos ain't easy  
You believe you can swim while you sink

Oh, Oh, Ooh

And every-time you call  
I'll ask you where you've been  
Cause the ice that you're skating on  
Is always thin  
And you can count on me  
To turn this whole thing upside down

That's why  
I can wear this crown

So you wanna, you wanna  
Go though some real drama  
You'd better, You'd better  
Watch what you wish for  
Cause I'm gonna, I'm gonna  
I'll show you just what I mean  
(I'll show you just what I mean)  
I'm a drama queen

We'll I'm trying to change  
But it's part of the game  
And this kingdom

I reign (I reign)

Hey, Yeah, Yeah

So you wanna, you wanna  
Go though some real drama  
You'd better, You'd better  
Watch what you wish for  
Cause I'm gonna, I'm gonna  
I'll show you just what I mean  
(I'll show you just what I mean)  
Well, I'm a drama queen

You wanna, you wanna  
Go though some real drama  
You'd better, You'd better  
Watch what you wish for  
Cause I'm gonna, I'm gonna  
I'll show you just what I mean  
(I'll show you just what I mean)  
I'm a drama queen
