

Here Comes The Rain Again

Suzie McNeil

Here comes the rain again
Fallin' on my head like a memory
Fallin' on my head like a new emotion
I want to walk in the open wind
I wanna talk like lovers do
I want to dive into the ocean
Is it raining with you?

So baby, talk to me (talk to me)
Like lovers do (like lovers do)
Fuck with me (fuck with me)
Like lovers do (like lovers do)
Talk to me (talk to me)
Like lovers do (like lovers do)

Here comes the rain again
Rainin' in my head like a tragedy
Tearin' me apart like a new emotion
I want to breathe in the open wind
I wanna kiss like lovers do
I want to dive into the ocean
Is it raining with you?

So baby, talk to me (talk to me)
Like lovers do (like lovers do)
Fuck with me (fuck with me)
Like lovers do (like lovers do)
Talk to me (talk to me)
Like lovers do (like lovers do)

Uuh here it comes again
Uuh hey aye aye aye

So baby, talk to me (talk to me)
Like lovers do (like lovers do)
Fuck with me (fuck with me)
Like lovers do (like lovers do)
Talk to me (talk to me)
Like lovers do (like lovers do)
