

# Supergirl

Suzie McNeil

I'm the life of the party,  
So contagious.  
All the boys wanna catch me,  
But I'm just playing.  
(one) One two come and see what I can do.  
(two) Two three everybody's after me.  
(three) Three four let me tell you what's in store.  
Let's go everybody on the floor.  
I'm supergirl,  
I'm everywhere,  
Those flashin' lights they stop and stare.  
I'm FIRE RED,  
I'm one more rule,  
I'm in your head,  
Everybody KNOWS,  
I'm, I'm, I'm, I'm supergirl  
I'm the perfect disaster.  
You can't stop me.  
Coming faster and faster.  
You just watch me.  
(five) Five six don't you want a little fix.  
(six) Count down get a little crazy now.  
(nine) Nine ten see me want to ruin them.  
Hold on ready here we go again.  
I'm supergirl,  
I'm everywhere,  
Those flashin' lights they stop and stare.  
I'm FIRE RED,  
I'm one more rule,  
I'm in your head,  
Everybody KNOWS,  
I'm, I'm, I'm, I'm supergirl  
WALKING every wire,  
Set the world on fire.  
No ones shining brighter.  
Oh, oh, oh  
I'm supergirl,  
I'm FIRE RED,  
I'm one more rule,  
I'm in your head,  
Everybody KNOWS,  
I'm supergirl  
I'm supergirl,  
I'm everywhere,  
Those flashin' lights they stop and stare.  
I'm FIRE RED,  
I'm one more rule,  
I'm in your head,  
Everybody KNOWS,  
I'm, I'm, I'm, I'm supergirl
