

The One

Suzie McNeil

I was born to be in your arms
I was born to feel like this
And everytime that you come closer
It's a rush I can't resist
And when you call my name it's like you're lighting up the day
Life is just more beautiful every step we take

Chorus

You are the one for me
From the moment that I saw you
I knew you'd be my everything
I can't get enough
But you always give me what I need
You are the one for me

That's forever there in your eyes
And that's heaven in your voice
And when I think about the future
To be with you is my only choice

Cause when you're gone it feels as if the heart in me just stops
I need you around, without you I get lost

Chorus

You're the hand that's guiding me
And made me see how love should be
And I thank God for giving me my dreams

Chorus
