

## Drive South

Suzy Bogguss

I didn't say, we wouldn't hurt anymore  
That's how you learn, you just get burned  
We don't have to feel like dirt anymore  
Though love's not learned, baby it's our turn

We were always lookin' for true love  
With our heads in the clouds  
Just a little off course  
But I left that motor runnin'  
Now if you're feelin' down and out

Come on baby drive South  
With the one you love  
Come on baby drive South

I'm not talkin' about retreatin', no sir  
Gonna take our stand in this Chevy van  
Windows open on the rest of the world  
Holdin' hands all the way to Dixieland

We've been tryin' to turn our lives around  
Since we were little kids  
It's been wearin' us down  
Don't turn away now darlin'  
Let's fire it up and wind it out

Come on baby drive South  
With the one you love  
Come on baby drive South

I heard your momma callin'  
I think, she was only stallin'  
Don't know who she's talkin' to  
Baby me an' you

We can go south with a smile on  
Ain't going to pack my nylons  
Just leave these legs showin'  
It gets hot down where were goin'

We were always lookin' for true love  
With our heads in the clouds  
Just a little off course  
But I left that motor runnin'  
Now if you're feelin' down and out

Come on baby drive  
Come on baby drive South  
With the one you love

Come on baby drive South  
With the one you love  
Come on baby drive South
