

# Hey Cinderella

Suzy Bogguss

We believed in fairy tales that day  
I watched your father give you away  
Your aim was true when the pink bouquet  
Fell right into my hands

We danced for hours and we drank champagne  
You screamed and laughed when I got up and sang  
And then you rode away in a white Mustang  
To your castle in the sand

Through the years and the kids and the jobs  
And the dreams that lost their way  
Do you ever stop and wonder  
Do you ever just wanna say

Hey hey, Cinderella, what's the story all about  
I got a funny feeling we missed a page or two somehow  
Ohh-ohhhh, Cinderella, maybe you could help us out  
Does the shoe fit you now

We're older but no more the wise  
We've learned the art of compromise  
Sometimes we laugh, sometimes we cry  
And sometimes we just break down

We're good now 'cause we have to be  
Come to terms with our vanity  
Sometimes we still curse gravity  
When no one is around

Yeah, our dolls gather dust in the corner of the attic  
And bicycles rust in the rain  
Still we walk in that fabled shadow  
Sometimes we call her name

Hey hey, Cinderella, what's the story all about  
I got a funny feeling we missed a page or two somehow  
Ohh-ohhhh, Cinderella, maybe you could help us out  
Does the shoe fit you now

Hey! Cinderella, maybe you could help us out  
Does the shoe fit you now  
Fit you now, Ohh-ohhhh, Cinderella (Cinderella) Does it fit you now?  
Cinderella (Cinderella) Ohh-ohhhh-ohhhh Cinderella (Cinderella)  
Hey Cinderella (Cinderella)
