

# I'm at Home on the Range

Suzy Bogguss

Seven nights in Jackson  
at the Million Dollar Bar.  
I'm the main attraction  
even if I'm not the star.

A Haggard song is all it takes.  
Dance a little on my breaks.  
They think I'm the greatest thing  
that ever hit this town.

I'm at home on the range.  
I'm a queen on the plains.  
Way out where the west is wild.  
From Billings down to Laramie,  
the cowboys take good care of me.

The loggers and the ruff-necks.  
Blowing off a little steam.  
Playin' poker with their paychecks.  
They get loud but never mean.

Down inside they're gentlemen  
They make feel like I fit in.  
They're all glad to see me  
everytime I come to town.

I'm at home on the range.  
I'm a queen on the plains.  
Way out where the west is wild.  
From Billings down to Laramie,  
the cowboys take good care of me.

I'm at home on the range.  
I'm a queen on the plains.  
Way out where the west is wild.  
From Billings down to Laramie  
the cowboys take good...

Home, home on the range  
I'm a queen on the plains.  
Way out where the west is wild.  
From Billings down to Laramie,  
the cowboys take good care of me.
