Look What Love Has Done To Me

Suzy Bogguss

Where once the moon was just a rock spinning in the sky Where once the stars were only tiny points of light Now the moon looks like it's heaven's shining pearl Now those stars, they look like windows into another world

Look what love has done to me, look what love has done There's poetry in all I see, look what love has done And my heart is dancing through each day My soul is running free Look what love has done to me

Where once each breath was just a sign of aching emptiness Where once I hardly felt the beating in my chest Now each breath feels like a precious kiss of life Now inside me beats the winds of a thousand butterflies

Look what love has done to me, look what love has done
This must be how it's mean to be, look what love has done
And my heart is dancing through each day
My soul is running free
Look what love has done to me

And I can't tell was that a violin, or did you say something Was that lightning striking where I stand
Or did you just reach out and take my hand

Look what love has done to me, look what love has done There's poetry in all I see, look what love has done And my heart is dancing through each day My soul is running free Look what love has done to me
