

Moment of Truth

Suzy Bogguss

People will say
Whatever they need to say
To get what they want, today
They tell whatever they think you wanna hear

Innocent hearts
Trusting the moon and stars
Sometimes they go too far
When things don't turn out to be
The way they appear

But, when it's only you and me
Darling, I believe that there's a

(Chorus)

Moment of truth we can count on
When the world don't seem to know right from wrong
I look in your eyes
And see beyond all the lies
Every moment that I love you
Is a moment a moment of truth to hold on to
No matter what anyone else may do
I know that it's right
When you hold me close in the night
Every moment that I love you
Is a moment of truth.

But when it's only you and me
Darling I believe that there's a.... (Repeat Chorus)

It's a moment of truth.
