

## Music On The Wind

Suzy Bogguss

When I Walk Alone And Think Of You  
I Hear Music On The Wind  
Birds Are Singing Cause They Hear It Too  
When There's Music On The Wind

Once There Was A Story I Was Told  
Of How Love Sings A Song  
If You Hear The Wind And Listen Close  
It Goes... ARIA,ARIA

I Can Feel The Rhythm In My Heart  
When There's Music On The Wind  
And With Every Beat It Plays A Part  
Of The Music On The Wind

How Can You Resist A Moonlit Night  
When There's Music On The Wind  
You And I Could Listen Side By Side  
To The Music On The Wind

Just Like In The Story I Was Told  
Of How Love Sings A Song  
If You Hear The Wind And Listen Close  
It Goes... ARIA,ARIA....ARIA,

Listen To A Lovers Rhapsody  
It's The Music On The Wind

Won't You Come Outside And Dance With Me  
To The Music On The Wind  
ARIA,ARIA
