

My Dream Is You

Suzy Bogguss

Einstein had one
So did Edison
I've got one, too
I have a dream
And my dream is you

Making you a part of my life
It will come true
I have a dream
And my dream is you

In my reverie
Your kisses are so fine
And that's why
I'm concentrating on
Making you mine

Einstein had one
So did Edison
I've got one, too
I have a dream
And my dream is you

When I awake each day
If I could see your face
Then I'd have done my part
To make the world a better place

Einstein had one
So did Edison
I've got one, too
I have a dream
And my dream is you

I have a dream
And my dream is you
