

# My Sweet Love Ain't Around

Suzy Bogguss

Listen to the rain a falling  
Can't you hear that lonesome sound  
Oh, my poor old heart is breaking  
'Cause my sweet love ain't around

Lord, I think I'll start to ramble  
Got to leave this weary town  
This old place is way to lonely  
Since my sweet love ain't around.

On that train tonight I'm leaving  
And I don't know just where I'm bound  
I can't stay here any longer  
'Cause my sweet love ain't around.

Listen to that rain a falling  
Can't you hear that lonesome sound  
Oh, my poor old heart is aching  
'Cause my sweet love ain't around.

'Cause my sweet love ain't around...
