

Take It To The Limit

Suzy Bogguss

All alone at the end of the evening
And the bright lights have faded to blue
I was thinking about the one man who might love me
I never knew.

You know I've always been a dreamer,
Spend my nights running round
And it's so hard to change, can't seem to settle down
But the dreams I've seen lately
They're all turning out, and burning out,
And turning out the same.

So put me on a highway and show me a sign
And take it to the limit one more time.

You can spend all your time making money
You can spend all your love making time
If it all fell to pieces tomorrow
Would you still be mine.

And when you're looking for your freedom,
Nobody seems to care
And you can't find the door, can't find it anywhere
When there's nothing to believe in.

Still you're coming back you're running back,
You're coming back for more
Put me on a highway, show me a sign
And take it to the limit one more time.

Take it to the limit, take it to the limit
Take it to the limit one more time.

Take it to the limit, take it to the limit
Oh you can take it to the limit one more time.

Take it to the limit, take it to the limit
Take it to the limit one more time.

Take it to the limit, take it to the limit
Take it to the limit one more time...
