

# The Other Side Of The Hill

Suzy Bogguss

Watch out when they start to twist  
Hold tight with a leather fist  
That's what his daddy told him  
How to ride the bull

There's a jingle in his jeans  
Sore places in between  
He's leaving me in Tennessee  
With a push and a pull

Ten four,honey,come on back  
Horse trainer on your Cadillac  
I'm calling for the cowboy in the Coupe De Ville  
Chug a lug up one side

Glide down the other  
He's a lover of the other side of the hill  
Turn up the radio don't think about rodeo  
Don't think about roundup up in old Cheyenne

It's a crazy circuit yea and he still works it  
Come on turn that sound up let's check the scan  
Ten four,honey,come on back  
Horse trainer on your Cadillac

I'm calling for the cowboy in the Coupe De Ville  
Chug a lug up one side  
Glide down the other  
He's a lover of the other side of the hill

Bandana on a rear view mirror  
Still wet from ear to ear  
I'm praying he'll remember  
What the wise man said

When you ride that last one  
Better make it fast one  
Jump while he's moving  
And just walk away

Ten four,honey,come on back  
Horse trainer on your Cadillac  
I'm calling for the cowboy in the Coupe De Ville  
Chug a lug up one side

Glide down the other  
He's a lover of the other side of the hill  
Ten four,honey,come on back  
Horse trainer on your Cadillac

I'm calling for the cowboy in the Coupe De Ville  
Chug a lug up one side  
Glide down the other  
He's a lover of the other side of the hill
