

You Bring Out The Best In Me

Suzy Bogguss

A diamond is so hard to find
You keep searching patiently
You take a stone and make it shine
And somehow you bring out the best in me

I count on you to lift me up
And sometimes take me down a peg
With a word or just a touch
Somehow you bring out the best in me

I'm gonna run until I go to distance
'Cause you believe I will
And if I stumble, baby, what's the difference?
You're standin' by me, still

When there's a path in front of me
But I can't find it for the trees
I look at you and clearly see
Somehow you bring out the best in me

I'm gonna run until I go to distance
'Cause you believe I will
And if I stumble, baby, what's the difference
You're standin' by me, still

When there's a path in front of me
But I can't find it for the trees
I look at you and clearly see
Somehow you bring out the best
I look at you and clearly see
Somehow you bring out the best in me
