

You'd Be The One

Suzy Bogguss

I didn't mean to get this close
It feels too right
And I'll think straighter
Tomorrow
If I don't hold you tonight
I realize it's time for me to go
But it seems only fair to let
You know

Of all the things I've wanted to
Do and never done
You'd be the one
And if you want to know how
Close I'd ever come
You'd be the one

Looking at it honestly
I guess I knew
I opened up this door
But I can't let you walk through
I have too much to lose if I fall
But if it means anything at all

I wear this ring to tell the world
I love one man
But you and I almost got out
Of hand
