

Bring Me Back

Swan Lee

listen
now listen to the wind
wispering again

it's calling
and something deep within
starts awakening

the road may be rocky
and times can be hard
but the days are getting longer
and there's sunshine in my heart

i'm hoping for another day for me and you

i'm waiting
i'm waiting for the rain
to make this garden bloom

i'm learning
to wait another day
before I say it's doomed

cause ive met the devil
and he's not that bad
and ive been to heaven
and it seemed kinda mad

im hoping for another day for me and you

cause when the sun don't shine
i don't mind
i couldn't change it if i wanted to
and if the wind don't blow
heaven knows
i couldn't change it if i wanted to

i'm gonna try
i'm gonna try to face
the troubles on my way

glory
glory be the blessed day
that brings me back to you

cause when the sun don't shine
I dont mind
i couldn't change it if i wanted to
and if the wind don't blow
heaven knows
i couldn't change it if i wanted to
